INVESTOR INFORMATION

As an investor, you are responsible for selecting a form of ownership that complies with the laws of your state of residence. Consult your financial advisor or an attorney if you need assistance.

1. **Individual** – An account that represents one adult’s self-controlled investment.
2. **Joint Accounts** are owned by 2 or more adults. Since there are several options, please select a type of joint ownership on the New Account Form. If you do not, Joint Tenants with Rights of Survivorship will apply to your account.
 - Joint Tenants with Rights of Survivorship (JTWROS) – Each tenant owns all shares equally. Upon the death of a tenant, the surviving tenant(s) takes ownership of the account.
 - Tenants in Common (TEN COM) – Each tenant owns a divisible interest that may not be equal (e.g., 40% and 60%). Upon the death of owner, the survivor maintains ownership of his/her percentage and the descendant’s shares pass to his/her heirs. On the New Account Form, please enter the percentage of ownership next to each tenant’s name.
 - Tenants by the Entirety (TEN ENT) – This registration applies only in certain states between spouses and each has a full interest in the account. Upon the death of one, the surviving spouse takes ownership of the account.
3. **Uniform Gift to Minor’s Act or Uniform Transfer to Minor’s Act (UGMA or UTMA)** – One adult serves as custodian to oversee an investment for one minor. The Custodian has authority, controlling the account for the child’s benefit until the child reaches the age of majority.
4. **Trust Under Agreement or Will** – An agreement that appoints a Trustee to manage property in the best interest of another or to administer a Trust according to the terms of a Will. A copy of the trust or the trust document pages that identify the name of the trust, the date of the trust, the trustee(s) name, street, and mailing address, and the signature page of the trust must be provided to establish the account.
5. **Corporation, Partnership or Other Business Entity** –
 - **Corporation** – The word “Incorporated”, “Corporation”, or the abbreviation “PC” is included in the name of the organization. A Corporate Resolution or Certificate of Incumbency originally certified within the last 60 days must be provided to establish the account. If publicly traded, you must provide CUSIP Number, Ticker Symbol, and exchange. If not publicly traded, official documentation to verify the entity’s form of organization is required.
 - **Partnership** – The word “Partnership” is included in the name of the organization. Partnership document or equivalent document confirming the existence of the entity and the individuals who have authorization to trade on behalf of the account are required to establish the account. If the entity is registered with a state corporation agency, a Good Standing Certificate with certified stamp/seal of the appropriate state agency is acceptable.
 - **Retirement Plan**- Only to be used if it is **not** a Unified Financial Securities sponsored retirement account. Please provide documents confirming the existence of the entity and the authority of all individuals who are authorized to act on behalf of this account.
 - **Other Business Entity**- Including non-profit and non-exempt organizations. Please provide documents confirming the existence of the entity and the authority of all individuals who are authorized to act on behalf of this account. Contact us to determine if additional documentation is required to open your account type.

***NOTE: Do not use this application to open any Unified Financial Securities sponsored retirement account. Please contact us to request the appropriate application.**

PART III: COST BASIS ELECTION

The Symons Institutional Funds are responsible for tracking and reporting to the IRS adjusted cost basis on covered shares for mutual fund purchases on or after *January 1, 2012*. We will apply the Symons Institutional Fund's default cost basis reporting method of Average Cost to all applicable funds and accounts that are not listed or for which a method is not selected.

Option 1: I choose the following cost basis method for all funds under the above account number:

Average Cost High Cost	First In, First Out (FIFO) Low Cost	Last In, First Out (LIFO) Specific ID

Fund _____	Average Cost High Cost	First In, First Out (FIFO) Low Cost	Last In, First Out (LIFO) Specific ID

Average Cost – Uses the average cost of the shares as the basis for redemptions to calculate capital gains and losses. To determine the holding period for the shares, average cost uses the First-In, First-Out method. The Average Cost method is available only for mutual funds.

First-In, First-Out (FIFO) – Shares acquired first in the account are the first shares depleted to determine cost basis.

Last-In, First-Out (LIFO) – Shares acquired last in the account are the first shares depleted to determine cost basis.

High Cost – Shares acquired with the highest cost per share in the account are the first shares depleted to determine cost basis.

Low Cost – Shares acquired with the lowest cost per share in the account are the first shares depleted to determine cost basis.

Specific ID – Shares specifically identified by the shareholder at the time of the sale are sold or redeemed first.
